

Serve-A-Thon Marketplace Listing Form

Thank you for participating in Ashwood's Serve-A-Thon Marketplace
and helping us reach our \$25,000 S-A-T goal!

Things to note:

- The Marketplace will be online for five months: December 5 through May 4.
- If your item(s) sells, it is up to you to collect the money and then donate any amount up to \$250 to Ashwood towards your \$250 S-A-T goal. Please bring cash or check to the office.
- Please notify the office when a listing needs to be removed from the Marketplace after it has been sold or is no longer offered.
- Once you make your \$250 donation to Ashwood, you may continue to sell on the Marketplace and either choose to keep the money or increase your donation to Ashwood.
- If you are not able to reach your entire goal through Marketplace sales, hopefully you will be a little closer to it! You will have other opportunities to reach this goal with raffle tickets and sponsorships.
- The purchase of items on the Marketplace helps the seller reach their S-A-T goal, not the buyer's goal.

Please write clearly so we can advertise your item accurately!
